RELEASE NOTES

Magnus is the newest release from the folks who brought you Liquid Crystal Vision, Minds Eye Media and the God Egg. This DVD fuses together the talents of some of the worlds hottest VJs and psychedelic computer graphics producers with the worlds leading electronica and Psytrance music. This never before seen collection of high quality 3D animation and trip visuals will blast your brain into a new form of visual and audio enlightenment. So get ready to not blink for the next 90 minutes as you interface with Geomagnetic.tv DVD sampler volume one.

DVD Video Format TRT: 90 Minutes+ of 3D Animation and Wild Visual FX and Music Videos. Special Features incl. VJ demos reels and Artist Interviews and Previews for upcoming releases + AC3 Extrapolated Audio mix in 4:3 NTSC High Resolution 6.0Mbs encoding.

Artist Profile:

DJ/VJ Doctor Spook (San Francisco, USA)
Also known as Nathan Vogel, Spook is an award winning 3D animator and music video director. He began creating psychedelic visuals in 1992, receiving critical acclaim for all of his projects. Nathan has worked with major music labels such as Arista, Geffen/Universal, Sony, Om and now with all of the most prominent Psytrance labels with this ground breaking new release. Spooks passion for electronic music drove him to start making music in 1990. He began djing at Burning man in 1998.

Dr. Spook has compiled some of the most breathtaking psychedelic videos ever created. Each of the artists are well known for being leaders in this mystic and provocative visual art form. The music and videos complement each other perfectly inducing a state of euphoria with no other additives needed!
