GeoSpirit1: Virtual Vortex - New DVD/CD Now Available Internationally

GEOMAGNETIC.TV is thrilled to present their newest offering in revolutionary psychedelic multimedia: **Geospirit 1: Virtual Vortex**.

Using state of the art technology, Virtual Vortex captures the light & sonic pulsations of the collective psy-consciousness, and renders them in perfect precision to the pixilated screen. An unbelievable cyber explosion of sight & sound!

Psychedelic 3D animated worlds of twisting, cerebral holograms & unique and captivating characters, set to a soundtrack of the hottest global psytrance make this DVD/CD combination sure to be a timeless classic known for blowing the lid off the industry standard.

Defying stereotypical music labels and dichotomies such as light vs. dark or commercial vs. trauma, GeoSpirit delivers eleven tracks of true, raw, psychedelic genius showcasing Neuromotor, Scorb, Desert Dwellers, Rastaliens, & Mr. Peculiar, as well as cutting edge artist combinations of Altom vs. Chromatone, CPU vs Phoenix Family, Earthling vs Chromatone & Random, Nomad vs. Jeremy Tsunami and more!

Sit back, relax and let Virtual Vortex take you on a trance formative trip that is sure to activate your DNA and cause universal metamorphosis!

----- more -----
